10. What were the strengths of this student in their capacity as a teaching assistant?

She always gave clear feedback on our memos, and can point out the key problems!

She is knowledgeable about the course materials. She prepares well for every office hour I attended. She explains each memo assignment clearly.

Lexin is very helpful as a TA, she is very patient with all students' questions, and is able to follow up with some questions that she did not answer thoroughly during the TA session.
